

TVO's Independent Learning Centre is pleased to partner with the Ontario Ministry of Education to bring to students **Homework Help**, a website focuses on **Math Help** for Ontario students in **Grades 7, 8, 9 and 10**. Key areas of the site include Tutor Chat Rooms, Listen & Learn presentations with Ontario certified teachers, Interactive Tutorials, and Best Sessions. Students have access to both guided and independent learning in a unique environment that combines technology and personal interaction.

Only Ontario students in **Grades 7 – 10 math** programs who have successfully registered with Homework Help may **"Ask a Tutor"** a question for an interactive answer. Tutors are available Sunday to Thursday, from 5:30–9:30 pm EST. All other resources on the site are available at any time.

To register with Homework Help students will need their Ontario Education Number (OEN), their Date of Birth and an email address. They will create a personal Username and Password to generate a validated account. Each time students visit **Homework Help** they will login with their **Username** and **Password** to access all available resources. Use the following instructions to begin having access to a wealth of math resources:

Registration Instructions

Step #1 - Go to the website:

www.homeworkhelp.ilc.org

Step #2 - Click on the Orange "Register Now" Button to open the registration form.

Step #3 - Enter your Username and Password and Retype.

- ◇ It is strongly encouraged that students choose a Username that is both appropriate and memorable in order to maintain anonymity. They should keep their Username and Password in a safe place.

Step #4 - Select **Student** as the Type of User

Step #5 – Enter Date of Birth (month/day/year) and Confirm

Step #6 - Ontario Education Number (OEN) and Confirm

- ◇ The OEN is located on any Provincial report card a student may have. It also may be acquired through a student's school and/or teacher.

Step #7 – Enter your email address and Retype

- ◇ Please enter a valid email address.
- ◇ It is *optional* to include an email address. If a student forgets their username and/or password, their email is used for reregistering. Also, through email, students can choose to receive Homework Help Learning Newsletter and What's New updates.
- ◇ If the student does not have an email address, a guardian's email may be used.

Notes:

After the registration process, students will be able to Log In using their Username and Password at the top right of the welcome screen.

If a student forgets a Username and/or password, they may re-register with their OEN and date of Birth which will restore their original Username.

Teachers and other students may register as a Guest at any time, but will be unable to ask the tutors any questions in the Chat Rooms.

The ILC and Homework Help program do not have access to the OEN database managed by the Ministry of Education. For the purpose of registration, the OEN represents an anonymous 9 digit number used to match the date of birth; essentially a 'key' that grants access to the site.

If needed, click on the Registration Help Button for clarification of how to register.
